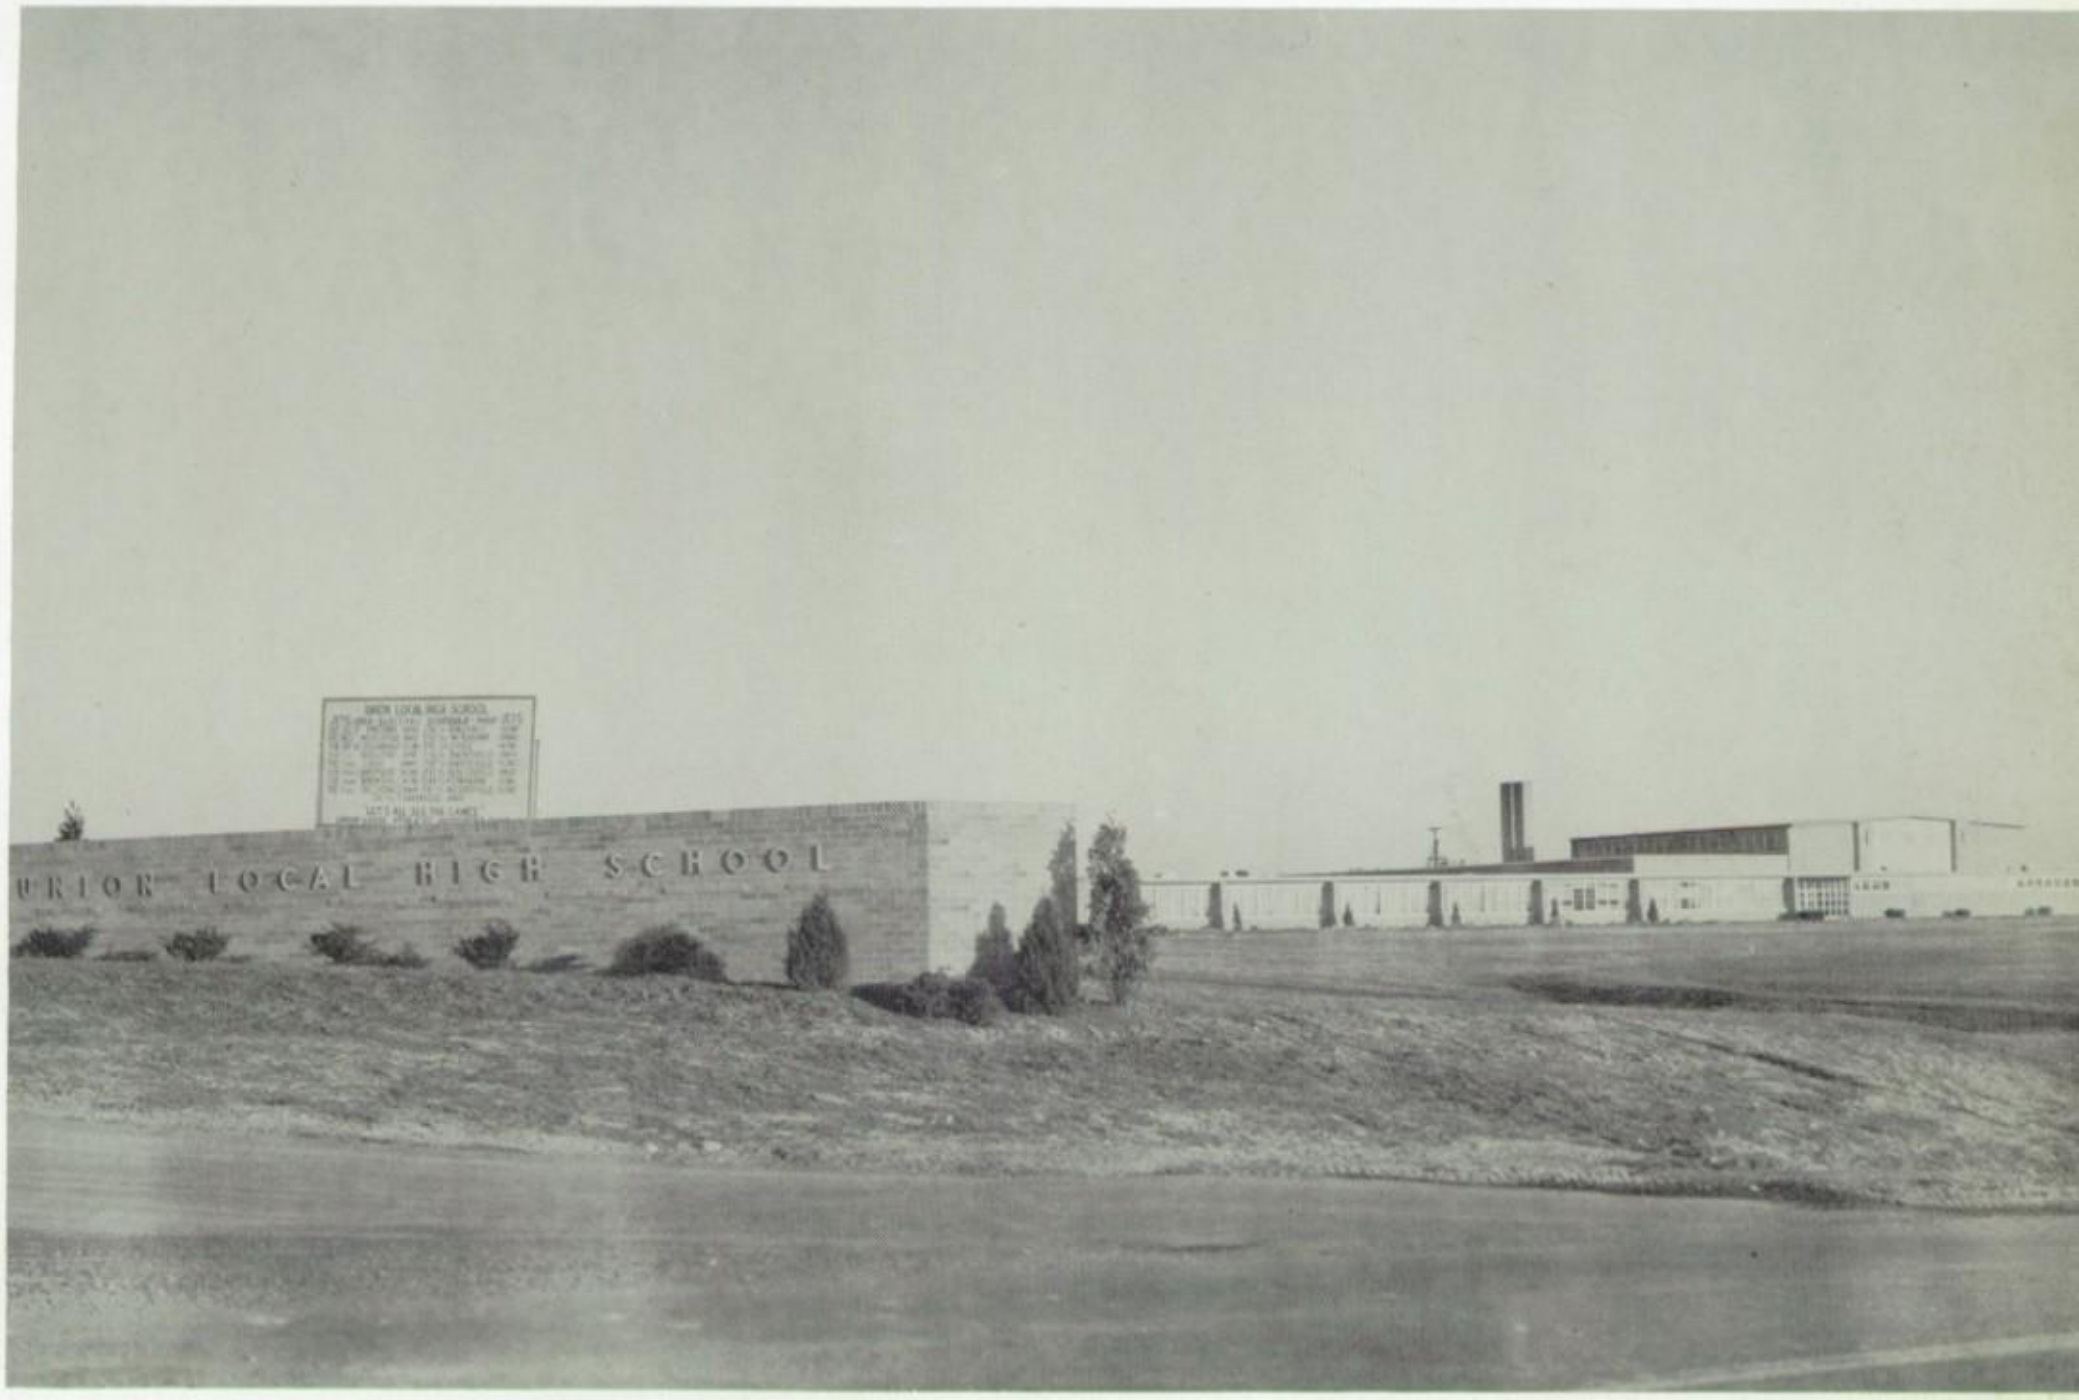
We, the class of 1960, invite you--parents, faculty, and students--to step through these doors and recall with us memories of the school year '59 and '60.

We hope as you look through this yearbook you can share with us the fun, hopes, successes--even the disappointments--we have known.

Dedication



Dear Members of Union Local School District,

1960, the year of our graduation, will mark the first graduating class of the new Union Local High School. We, the class of 1960, owe to the residents of the Union Local School District a great debt, for these people have taken upon themselves a heavy burden--the task of paying for this new school. We are sincerely sorry that if, in our enjoyment of this school, we may have forgotten all the unselfish sacrifices that you have made for us. You and only you have made this possible. So, perhaps by dedicating this, our first yearbook, to you, THE RESIDENTS of the Union Local School District, we can repay you in some small way for the great service you have done us and the wonderful and unwavering support you have given to all school activities.

As editor of the first annual to be published from Union Local High School, I wish to express my sincere thanks to Mr. Walters, who has pulled us over the rough spots, to the yearbook staff for their cooperation, to the faculty, and to the members of the Senior Class whose support has made this publication possible.

On behalf of the Senior Class of 1960, I sincerely hope that the ULSONIAN will be regarded as a most priceless treasure. Within its covers are our hopes, our dreams, and the challenges we must meet and conquer. The stepping stone we have just crossed is now in pictures as we journey on to greater things.

Seniors

In Retrospect . . .

As we, the members of the Class of 1960, approach the end of our high school days, and look back over the years which have passed so quickly, we are filled with mixed emotions.

These halls, now deserted of the Senior Class, will forever echo the many pleasant days spent with our classmates. The parties, dances and games formed a very enjoyable phase of our school life. These, we will always remember. Even our classroom work is associated with many pleasant memories--working together, learning together, playing together, and sharing our common experiences contributed to our happiness.

But all was not so. We also recall the deep gloom and hidden tears associated with our despair in connection with a hard assignment, an unexpected defeat in a sport activity or in our own personal efforts.

Often we reached what appeared to be the summit of happiness only to find the depth of frustration was not far away. Thus we strengthened the fibres of our character. It is because of all these experiences that we can look so confidently to the future.

The "red and white" finished their initial basketball season with a record of eight wins and nine losses. Our boys played a brand of ball which was sometimes spotty and erratic, but most of the time they displayed excellent marksmanship, teamwork and a good defense.

Their followers never lacked for excitement as two of the season's games went into overtime, and four of the games were decided by six points or less. Due to the fine record of the reserves this year (won 11, lost 6,) Union Local can look forward to a fine year ahead.

In post-season play, the Jets entered the AA Sectional Tourney at Martins Ferry. Here the boys made a strong bid to upset Bellaire, one of the finer AAA ball clubs in the area, but were finally quieted in the waning seconds of the ball game. Final score: Bellaire 62, Union Local 54.

Our SCHOOL DAYS OF '59-'60 are priceless gems to all Union Local High School students, both today and for the rest of our lives. Preserving our high school memories was made possible by the community residents who gave us our school, and our local neighboring businesses--our advertisers.

We can say our best "Thank You" to them by SHOPPING WITH THE BUSINESSES WHO HAVE SO KINDLY AND GENEROUSLY SHOPPED WITH US.

There were times we thought we wouldn't, but we finally got it done. It took a lot of effort, but we had a lot of fun.
